

Ford

NEW FIGO

Go Further

www.ford.co.za

Beginning of a great story.

A work of art, inside and out. From its stylish, aerodynamic exterior to its spacious and quality interior.

Style crafted for comfort

The new FIGO has been designed to offer quality comfort for every journey. Power windows and drive-away locking doors ensure a controlled driving experience, whilst Bluetooth® with USB port and Ford docking station provides entertainment for everyone.

Smart storage

Not just extra space; smarter space. The long floor console and storage areas in the doors offer even more specialised compartments, whether you need to store a 500ml bottle, a takeaway coffee cup, or an umbrella.

Boot space

When you need the option for extra space, like that piece of art you just had to have, the new FIGO becomes more spacious when you fold down its 60:40 split rear seats, giving you ample boot space to carry the things you want.

MyFord Dock®

The new FIGO's unique MyFord Dock® allows you to store, mount and charge your mobile phone. MP3 player or satellite navigation system. And because it's mounted on your dashboard, it's in a perfect, easy-to-access position.

Perimeter anti-theft alarm*

The new FIGO's perimeter anti-theft alarm provides peace of mind while the car is parked. If the system detects an unauthorised attempt to enter the car, it triggers the alarm, flashes the headlamps and parking lamps, and activates the theft indicator on the instrument panel.

*Perimeter anti-theft alarm standard on Trend model.

The whole package.

Every aspect of the new FIGO has been thoughtfully crafted. A bold exterior that turns heads and an interior aimed to give you a new perspective.

Hill Launch Assist (HLA)*

Hill Launch Assist (HLA) temporarily stops you rolling backwards when making a hill start. It holds the brake for a few seconds after you take your foot off, giving you time to smoothly accelerate away. Whether you're driving uphill or downhill.

*HLA only available on automatic model.

Colours

Oxford White (Solid)

Deep Impact Blue (Metallic*)

Moondust Silver (Metallic*)

Ruby Red (Metallic*)

Smoke (Metallic*)

White Gold (Metallic*)

*Metallic body colours are options at extra cost.

Note: The images used are to illustrate body colours only and may not reflect the vehicle described. Colours and trims reproduced within this brochure may vary from the actual colours, due to the limitations of the printing processes used.

Wheels

14" Steel wheel cover – 175/65 R14
Available on Ambiente model

14" Alloy wheel – 175/65 R14
Available on Trend model

Ford PROTECT

Ford **PROTECT** offers a holistic suite of service, maintenance, warranty and roadside-assistance products aimed at keeping your new **FIGO** in perfect working condition.

New Vehicle Warranty – Every new **FIGO** comes with a 4-yr/120 000km Comprehensive Warranty.

Service Plan – The new **FIGO** comes standard with a 4-yr/60 000km Service Plan with 15 000km intervals on all derivatives, which covers all scheduled servicing except friction materials, i.e. brake pads and wiper blades.

Corrosion Warranty – 5-yr/unlimited km cover.

Roadside Assistance – 3-yr/unlimited km cover for mechanical, electrical, flat tyres, batteries, medical emergencies and towing, if needed, to the nearest Ford dealership.

New Vehicle Extended Warranty – An Extended Warranty may be purchased prior to the expiry of the 4-yr/120 000km New Vehicle Warranty, giving owners an extra 2-yr/80 000km of worry-free driving.

Consult the vehicle handbook, Ford Dealer or www.ford.co.za for more information regarding Ford **PROTECT** plans.

*The declared fuel consumption and CO₂ emissions figures were achieved during technical laboratory testing in accordance with the legislated technical specifications (SANS 20101: 2006/ECE R101: 2005 as last amended) and validated and approved by the UK Vehicle Certification Authority (VCA). Fuel consumption and CO₂ emissions figures are used to compare different vehicle types under uniform conditions, and are not necessarily indicative of real-life driving conditions. Note that the actual fuel consumption and emissions levels will depend on many factors and are directly affected by the length of the journey; number of passengers and the amount of luggage carried; individual driving style; road conditions; weather conditions; vehicle age, mileage, condition and standard of maintenance; use of vehicle features such as air conditioning; and any modifications to the vehicle. Your fuel economy will vary based on these and other factors and, for these reasons, many drivers may not achieve the EU fuel economy figures in day-to-day driving, although the vehicle is technically capable of doing so.

Quality

We design and build your Ford to feel as good after many years of service as it did the day you picked it up. And to drive just as beautifully too.

Green

Using advanced Ford technology, we're committed to creating vehicles with improved fuel economy, reduced CO₂ emissions and a lower overall cost of ownership.

Safe

Ford's Intelligent Protection System uses sophisticated technology designed to help prevent an accident and, if one should happen, to protect you.

Smart

Vehicles with smart intuitive technologies designed to connect your world, and many clever solutions from Ford that make life a little easier.

Ford reserves the right, subject to all applicable laws, to discontinue or change features and other specifications either temporarily or permanently, which will be communicated to the Ford Dealer Network. Printed May 2018.
